Dear Mr. Rochette;

Your letter of 21 March received, and in response, would like to outline the participation of our club during National Coin Week.

We have acquired a display of New Jersey cents which is exhibited in banks, libraries, etc. throughout the year, both for the public to enjoy, and to pique their interest. During National Coin Week, however, we increase the displays, placing diversified numismatic material with revelent information in reasonably secure public places. This year we have written some local radio stations offering to give either a 'live' or taped discussion of numismatics, stressing educational aspects. Our panel would consist of the club officers, and Mr. Harold Don Allen, of Canada. With prospects of short-wave broadcasting to intrigue additional world-wide interest, it is hoped that our small efforts in this campaign will help influence those desire to learn more of the stimulating ramifications of this hobby.

Looking forward with pleasure to National Coin Week, and to the coming ANA convention in Philadelphia this summer, I remain

Sincerely yours

Dear Mr. Morse:

Congratulations on the efforts of the Union County Coin Club towards making National Coin Week a success. I am very impressed with the various projects that you have this year and personally wish you the very best in competition. I do hope that I have the honor of presenting a prize-winning plaque to your club in Philadelphia this summer.

I do hope that the UCCC will prepare a scrapbook of the various projects that they have completed for NCW.

Again, on behalf of ANA, thank you.

Sincerely,

EDWARD C. ROCHETTE
